# TOP TIPS FOR THE DOG PARK

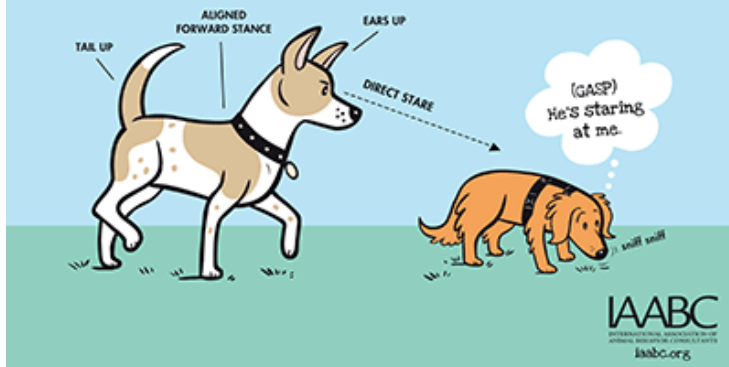

## IS YOUR DOG SCARED?

If your dog is scared,  
**GET HIM AWAY FROM WHAT SCARES HIM;**  
it may be time to leave the park.

## IS YOUR DOG PUSHY?

Pushy dogs aren't listening to other dogs' signals!  
Give him a time-out **ON A LEASH** or **OUTSIDE THE PARK**  
until he has calmed down and can show good manners.
